

**THE JONES CENTER AT ICHAUWAY**  
**AQUATIC BIOLOGY SEASONAL TECHNICIAN II**

---

The Jones Center at Ichauway invites applications for a full time **Seasonal Technician II** in the Aquatic Biology Lab. This is a **temporary** position that will be available August 29 – December 16, with the possibility of extension.

The 28,000-acre Research Center is located approximately 30 miles south of Albany, Georgia. The Center's research, education, and conservation programs focus on ecology and natural resource management. The site includes 16,000 acres of longleaf pine forests, over 1,000 acres of wetlands, and 26 miles of stream and river ecosystems. For more information visit our website at [www.jonesctr.org](http://www.jonesctr.org).

**Job requirements:** The successful candidate will work with water quality and biological studies of streams, rivers, lakes, and wetlands. Field duties will include assisting with water quality sample collection and population surveys of native mussels, fish, and insects. Other responsibilities will include processing water samples, sorting aquatic macroinvertebrates, entering data, preparing equipment for sampling trips, and acid washing. Experience in field biology, ecology, or environmental data collection is required. Must have the ability to conduct moderate to strenuous physical activity in the field under demanding field conditions (i.e., heat, high humidity, and insects). Must be able to swim, snorkel, and independently follow instructions. Must be comfortable working out of small research boats and canoes.

**Minimum qualifications:** B.S. with experience in biology, ecology, or related field. Experience with MS-Windows based computers required. Must be able to swim.

**Salary:** \$12.00 per hour with housing.  
\$14.00 per hour without housing.  
Limited on-site housing is available.

Compile a cover letter, resume, references, and available start date into a single pdf file and email it to: [jobs@jonesctr.org](mailto:jobs@jonesctr.org) AND to: [caitlin.sweeney@jonesctr.org](mailto:caitlin.sweeney@jonesctr.org). Subject line: **Aquatic Biology Seasonal Technician II**. For additional information regarding this position contact Caitlin Sweeney by email at [caitlin.sweeney@jonesctr.org](mailto:caitlin.sweeney@jonesctr.org).

Preference will be given to applications submitted by August 3.
