THE JONES CENTER AT ICHAUWAY
POLICIES & PROCEDURES**

POLICY ON PAYMENT OF INDIRECT COSTS

The Joseph W. Jones Ecological Research Center is a 501c(3) non profit operating foundation for the purpose of providing a program of excellence in ecology and natural resource management that includes integrated research, education and conservation goals. The Center is not a grant-making institution but does at times have the need to contract with different organizations and individuals to achieve the goals of the center. It is the policy of the Jones Center not to pay indirect costs to other institutions when contracting for services.
