To Apply

Submit this form, unofficial copy of your transcripts, and a cover letter stating 1) your interests in this course, 2) near and long-term career goals, and 3) how this opportunity can benefit your future success. Send application materials as attachments to Dr. Daniel Greene at dgreene.tws@gmail.com with Subject "SE TWS Field Course". Applications will be reviewed in the order received. Preference will be given to students who have completed at least 8 credit hours in a natural resource program.

Registration

Once accepted, students must provide a \$500 non-refundable deposit, with checks payable to SE SECTION_TWS and sent to the SE TWS Secretary-Treasurer. Please contact Dr. Daniel Greene for mailing information and enrollment through Vermont State University. The balance of your payment (\$1000) is due **no later than May 1, 2025**.

Comments

Please share with us any special concerns you may have (dietary, physical, allergies, etc.) so we can make your stay comfortable and enjoyable. The course requires you to be in relatively good physical condition and able to hike 2-3 miles per day with a group at a constant pace. Expect long days (early mornings to late evenings) in hot and buggy conditions, rain, or shine! Check with Dr. Greene before applying if you have concerns or questions, especially if you have very specialized diet requirements.

For questions about the course, please contact Dr. Daniel Greene at dgreene.tws@gmail.com. Several TWS chapters offer full or partial scholarships to this course so please be sure the state where you attend school (or reside if out of school) is clearly indicated so we can direct you to those opportunities. Alternatively, contact your State Chapter representative(s) to request support.
