
Plumbing/HVAC/Electrical Technician

Job Description: The Jones Center at Ichauway invites applications for the Plumbing/HVAC/Electrical Technician position. This position is responsible for carrying out general maintenance of mechanical systems and overall preventive maintenance of the facilities.

Location: The Jones Center is located on Ichauway, a 30,000-acre property in southwestern Georgia between Albany and Bainbridge. The Center's research, education, and conservation programs focus on ecology and natural resource management. Ichauway contains 18,000 acres of longleaf pine woodlands, 1,000 acres of wetlands, and 25 miles of stream and river ecosystems. An 18,000 square foot research laboratory houses scientists' laboratories, a central analytical laboratory, and two field labs. Further information can be found on [our website](http://www.jonesctr.org).

Qualifications:

High school diploma or its equivalent and experience in working in the areas of plumbing, electrical and HVAC installation/maintenance. Preference will be given to candidates with one or more current State of Georgia Licenses as a Master Plumber, Master Electrician or Conditioned Air Contractor. Must be able to work independently without requiring close supervision. Computer experience and the ability to read blueprints and other technical documents is required.

Reports to:

Maintenance Manager

Compensation:

Salary is commensurate with education and experience.

To Apply:

Send a completed job application with at least three references with phone numbers by email to jobs@jonesctr.org. Subject line: Plumbing/HVAC/Electrical Technician. Review of applications will begin immediately and will continue until the position is filled.
