

General Maintenance Worker

Job Description: The Jones Center at Ichauway invites applications for the position of General Maintenance Worker. This employee will assist with general maintenance assignments to accomplish assigned tasks for The Jones Center. This employee will also be responsible for washing and cleaning vehicles. This employee will report to the Maintenance Manager

Location: The Jones Center is located on Ichauway, a 30,000-acre property in southwestern Georgia between Albany and Bainbridge. The Center's research, education, and conservation programs focus on ecology and natural resource management. Ichauway contains 18,000 acres of longleaf pine woodlands, 1,000 acres of wetlands, and 25 miles of stream and river ecosystems. An 18,000 square foot research laboratory houses scientists' laboratories, a central analytical laboratory, and two field labs. Further information can be found on our website.

Qualifications: A valid Driver's license, good driving record, ability to follow directions, basic reading and writing skills, adequate health to safely perform physical labor. Experience in general maintenance is highly desirable.

Compensation: Competitive salary with full benefits package.

To Apply: Please send completed job application with at least three references with phone numbers by email to: jobs@jonesctr.org, **Subject line:** General Maintenance Worker, or mail to: Attn: General Maintenance Worker, The Jones Center At Ichauway, 3988 Jones Center Drive, Newton, GA 39870, or FAX to (229)734-4707, Attn: General Maintenance Worker.

For job application or for more information see our website: www.jonesctr.org.

Review of applications will begin immediately and will continue until the position is filled.
